

A diagram showing a stack of Python libraries. At the top is a row of five small colored boxes: pink, orange, yellow, cyan, and purple. Below them is a large light orange box labeled 'uproot'. To the right of 'uproot' are two vertical light green boxes labeled 'cachetools' and 'lz4'. Below 'uproot' are three horizontal light orange boxes labeled 'uproot-methods', 'awkward-array', and 'numpy'.
